

Dear Friends of Soaring Solar,

We are thrilled to share with you some exciting news from the heart of our commitment to making a positive impact in our community. This month of March, Soaring Solar has the privilege of volunteering for a fantastic cause with our friends at South Jersey Dream Center, a pickleball tournament aimed at combating poverty.

Pickleball Tournament - a different type of March Madness

Pickleball is a sport that combines elements of tennis, badminton, and table tennis. This is their 3rd year hosting this event and each year it gets bigger and better, plus they reach their goals of raising money and combating poverty. The tournament brought together individuals and families from all walks of life and all ages, rallying around a shared goal of making a difference in the lives of those in need.

Our Role in the Tournament

As a proud volunteer and supporter of South Jersey Dream Center and their mission which is as stated: "Poverty is a serious issue but raising funds and awareness about poverty doesn't have to be! This fun-filled, competitive event supports the struggling families that we serve at the South Jersey Dream Center AND it will make an impact in your life knowing that you are touching the lives of others AND "playing for a purpose". TOGETHER we are *breaking the cycle of poverty in South Jersey*".

Soaring Solar eagerly stepped up to volunteer for this event. Our team members are involved in various aspects of the tournament, from being a team greeter, player check-ins, scoreboard operators and cheering on the participants!.

Why We Care

At Soaring Solar, we believe in using our resources and expertise to create positive change in the world around us. Poverty is a complex issue that affects far too many individuals and families in our community, and we are committed to doing our part to address it. As seen in our previous monthly newsletters, you can see why it was a no brainer to volunteer and support this great cause. By partnering with organizations like South Jersey Dream Center, we can make a meaningful difference in the lives of those who need it most.

Join Us in Making a Difference

We're incredibly proud of our team members who volunteered their time and energy to support this cause. But our work doesn't stop here. There are countless ways for each of us to contribute to the fight against poverty, whether it's through volunteering, donating, or simply spreading awareness.

We encourage you to learn more about South Jersey Dream Center and the incredible work they do to combat poverty in our community. Together, we can make a difference.

You can visit their website at
